

Gentlemen of the BTC,

March 27, 2025

Well, it was Calcutta night at the lanes and there were some really good bowling going on, just not by me.

Team #7 **Anthony Serritella, Guido, Jack Heatter and Mike Breier** took home 1st place with a 2784. Team #10 **John Paliga, Randy Samoska, Bob Switak and Dan Raymond** took home 2nd place with a 2738. Team #9 **Randy Giovanetti, Jim Eppolito, Pete Lambros and Dwight Hammond** took home 3rd place with a 2670. The high team scores were dominated by team #7 Serritella and gang as they won the 1st game with an 889, the third game with a 970, and the 4th game with a 925. Somehow they let team #9 Giovanetti and gang win the second game with a 940. That was nice of Anthony and team. All other team scores and standings later in the newsletter.

There also were some high handicap scores with a 265 by Serritella and 263 by Kleinpaste in the first game. 269 by Kleinpaste and Hal Eberling in the second game. Randy Samoska had a 305 in the third game and Guido and Kaz both had 277. In the last game, Serritella had a 278 and Greg Lewis a 275. I am sure there were a lot more good scores, just not by me.

Well, it was a good and exciting night of bowling. I usually don't talk much about my bowling other than my ten pins and speaking of those, I was a dismal 3 of 7 making me 56 out of 89 for the season. But I have to apologize to my teammates for my awful bowling as I was under average every game and 156 pins under for the day and did not help them at all.

As usual, we thank Andy Zilis, Jerry Jas, and Keith for all their hard work making it a good night for all of us.

Your secretary,
DJ

P.S. Only 5 more weeks of bowling left.

Bowling News

Calcutta 2025 is now official (see results in newsletter) and went off with only 1 hitch. I would like to apologize for that hitch. In all the years we have been running the Tournament this was the year that we happened to have a computer glitch with the pari-mutuel tournament software. I worked the issue out the next day and am happy to report that the para-mutual bets are completed and will be paid out this Tuesday at bowling. Again, I apologize for any inconvenience this may have caused by not paying out right after bowling as we have always done. A special THANK YOU to all who had participated this year, as we hope to get even more participants for next years tournament. Last but not least THANK YOU to **Andy Zilis** and **Jerry Jasinski** who did another outstanding job running the tournament again this year! I hope the winners enjoyed the Bonus \$1000 that was added this year and would like to do the same next year. Please remember that 100% of ALL money collected and the bonus money was paid out, and hope all of our winners we generous to Andy and Jerry as they donate their time putting a lot of work in running this tournament!

This week we are back to our regular league bowling! See You Tuesday.

If you have any questions, or comments regarding the bowling league, please text or call me at 708-912-8831.
